RE: Notification of Unauthorized Student Information Disclosure

Dear 

I am writing on behalf of Ogden School to notify you that information related to your child was inadvertently disclosed without authorization. Specifically, on April 22, 2019, it was brought to our attention that an email that you addressed to the Ogden Local School Council and Chief Herald Johnson on January 7, 2016, entitled  was shared by Principal Michael Beyer with two individuals that were not on the Ogden Local School Council.

I want to assure you that we will take immediate steps to prevent this from happening in the future and to ensure compliance with CPS policy and student privacy laws. Please be advised that we have asked any party known to have received this email to destroy any copies in their possession.

We take student privacy very seriously and deeply regret these circumstances. Please feel free to contact me at 773-535-8232 with any questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Dase".
