Is the Steering Committee going to raise the millions every year, for years to come, when we lose in enrollment when you ruin a priceless brand name? They're setting us up for failure.

If Ogden parents don't like the Steering Committee now, they're really not going to like it when they try to end a 160 year legacy.

Hey everyone....did the steering committee discuss this tonight? Is the steering committee going to push for a name change?

Seriously, this is a very bad idea. We can move forward and heal the divisions by finding a compromise, but the steering committee is going to rip open the divisions again. Maybe Ogden does need Mike Arnold and Paul Hull on the LSC.
