Hello Dr. Beyer -

I'm following-up on your request regarding my work schedule for today and your request that I work until I complete accepting, entering, and posting the LSC applicant information. Just reaching out for clarity regarding your approval to be paid since my work day concludes at 2:30 p.m. Also, what is the duration that you may approve for me to work until?

Also and as a follow-up to your earlier request, I'm planning to forward the list of applicants along with the contact information. Thank you.
